RELEVANT PROJECTS AND EXPERIENCE

Tomahawk Talk Archive Project – WVFS Tallahassee
Head of Sports Production, Tallahassee, FL

January 2019 – May 2022

- Oversaw all production, curation and archival of all content produced by V89 Sports.
- Utilized the programs MySQL, Visual Studio Code, Logic Pro X, and Wireframe to build a custom database to store these episodes.

Advanced Web App Development
Tallahassee, FL

January 2020 – April 2020

- Worked in a professional environment to develop web applications with an emphasis on server-side concepts, tools and methods.
- *Link to repository:* <https://bitbucket.org/sa17d/lis4368/>

Menagerie
Online

June 2020 – Nov 09, 2020

- Created a bot to be used by Destiny 2 players living within the Discord chat client to search common in-game connection errors documented on Bungie.net.

Graduate Assistant in Teaching
Tallahassee, FL

Ongoing – January 2023 – December 2023

- Teaching Assistant at Florida State University for Course LIS3781 – Advanced Database Management
- This course explores various topics in database management systems (DBMS), using a typical commercial DBMS (e.g., MySQL, SQL Server, Oracle), as well as non-relational data repositories (aka “NoSQL” databases).
- Teaching Assistant at Florida State University for Course LIS4480 – IT Leadership
