EDUCATION

Florida State University – Tallahassee, FL   2023
Master of Science in Information Technology
Bachelor of Science in Information, Communication, Technology   2022

RELEVANT PROJECTS AND EXPERIENCE

Junior Systems Administrator, Client Intake Specialist   2024 – Ongoing
Gilbert Garcia Group, P.A., Tampa, FL

– Managed and maintained firm-wide IT infrastructure, including servers, network devices, and user accounts.
– Administered user access and security settings in various firm applications and systems within the Microsoft 365 Admin environment, and via Active Directory.
– Handled inbound client calls, assessed their needs, and scheduled consultations with attorneys. Collaborated with Civil Legal Team to ensure seamless client on-boarding and communication.

Graduate Assistant in Teaching   2023-2024
School of Information, Florida State University, Tallahassee, FL

– Teaching Assistant at Florida State University for Courses: Advanced Database Management and IT Leadership
– Graded assignments of 30-40 students using a typical commercial DBMS (e.g., MySQL, SQL Server,), proctored exams, and helped students with debugging.
– Compiled student data for the professor and the class, and engaged with students to ensure progress on long-term projects.

Repositories of Work for FSU Software Development Courses   2020-2021
Tallahassee, FL

– Collaborated in a professional environment to develop solutions for class assignments. Developed databases utilizing MySQL and MS SQL, created web applications using Tomcat/AMPPS, and applied Python for machine learning.
– *Link to repositories*: https://bitbucket.org/sa17d

Tomahawk Talk Archive Project – WVFS Tallahassee   2019-2022
Chief Sports Producer, WVFS Tallahassee, Tallahassee, FL

– Oversaw all production, curation and archival of all content produced by (WVFS) V89 Sports. Designed and built a custom database to store all media content.
